### stats

- 156 members; 109 on Slack
- Goal: 1000 members by June 2015; be *the best startup community, period. 8 blogs/day means 1 blog to read every hour at work.*
- Blogs today?

### ideas to consider

1. automate this newsletter (by @costrike)
2. Virtual demo day? Sunday 3/8/15 7pm PST

**member blogs** - highlight blogs from ssg members; please read, engage, tweet...

1. Launching Asia Hustle by Douglas Crets

### interesting notes from SSG Slack & elsewhere

1. Metrics and goals for SSG: membership vs blog output vs exits.

**member tweetstorms**, rebuttstorms (hi @pmarca), upcoming speaking engagements, events (pix or it didn't happen!), quora Q&A

- ?

**icymi** (best of Mattermark, @sama, etc.)

## **past ideas**

1. ssg labs - started 3/4/15
  - a. explore ideas within group
2. edition times - 9:30pm PST (initially 3/4/15)
3. create easier invite and onboarding than [www.startupstudygroup.com/slack](http://www.startupstudygroup.com/slack) (initially 3/4/15)  
← WeAreLATech is using a TypeForm page to onboard to their slack channel. See: [wearelatech.com/vip](http://wearelatech.com/vip)
  - a. 10 minutes to process...
4. better format for website, more content/context
5. save also as pdf editions - done
6. theme song to newsletter by one of Adam Marx's @adammarx13 awesome bands; maybe cycle thru his bands?
7. invite more tech/startup bloggers
